TEQUILA

We offer 4 types of tequila ...

BLANCO: Sometimes called silver, clear and transparent; bottled after distillation.

REPOSADO: Tequila that has been “rested” in an oak cask for up to 1 year, softer and gentler than Blanco.

AÑEJO: Tequila that has been aged for over 1 year and usually up to 3. Amber in color, magnificent in taste!

RESERVA: A very special Añejo that is aged up to 8 years.

Add any of these tequilas to your favorite margarita for the price listed below or drink them straight and slow like a fine cognac ...
