PLEASE ALERT YOUR SERVER TO ANY FOOD ALLERGIES YOU MAY HAVE.

\*Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase the consumer's risk of food borne illnesses. There is risk associated with consuming raw oysters. If you have chronic illness of the liver, stomach or blood or have immune disorders, you are at greater risk of serious illness from raw oysters, and should eat oysters fully cooked. If unsure of your risk, consult a physician.
